

PROSPECTUS SUPPLEMENT NO. 8  
(to Prospectus dated May 4, 2024)

**MSP Recovery, Inc. d/b/a LifeWallet**  
**5,638,092 Shares of Class A Common Stock**

---

This prospectus supplement no. 8 amends and supplements the prospectus dated May 4, 2024 (as supplemented or amended from time to time, the “Prospectus”), which forms a part of our Registration Statement on Form S-1 (No. 333-268616). This prospectus supplement is being filed to update and supplement the information in the Prospectus with the information contained in our Current Report on Form 8-K, filed with the Securities and Exchange Commission (the “SEC”) on August 8, 2024 (the “Current Report”). Accordingly, we have attached the Current Report to this prospectus supplement.

This prospectus relates to the offer and sale from time to time by the selling securityholders named in this prospectus (the “Selling Securityholders”), or their permitted transferees, of up to 5,638,092 shares of our Class A Common Stock, par value \$0.0001 per share, held by the Selling Securityholders (the “Total Resale Shares”), including up to 2,666,667 shares of our Class A Common Stock issuable upon exercise of the Class A Common Stock Underlying Warrant (the “CPIA Warrant”) pursuant to an Amendment to the Claim Proceeds Investment Agreement (the “Amendment”) and a Warrant Agreement (the “Warrant Agreement”) with Brickell Key Investments LP (the “CPIA Holder”). As the exercise price of the CPIA Warrant is only \$0.0025 per share, should the CPIA Holder exercise the CPIA Warrant, we would only receive nominal proceeds therefrom.

Our Common Stock, Public Warrants and New Warrants are listed on Nasdaq under the symbols “LIFW,” “LIFWZ,” and “LIFWW.” On August 7, 2024, the closing price of Common Stock was \$0.3090 per share, the closing price of our Public Warrants was \$0.0481 per warrant and the closing price of our New Warrants was \$0.0029 per warrant.

**Investing in our securities involves risks. Before you invest in our securities, please carefully read the information provided in the “Risk Factors” section beginning on page 9 of the Prospectus and any in any applicable prospectus supplement, and Item IA of our Annual Report on Form 10-K for the fiscal year ending December 31, 2023, filed with the SEC on April 15, 2024.**

**Neither the SEC nor any state securities commission has approved or disapproved of the securities to be issued under the Prospectus or determined if the Prospectus or this prospectus supplement is truthful or complete. Any representation to the contrary is a criminal offense.**

---

**The date of this prospectus supplement is August 8, 2024.**

**Item 1.01 Entry into a Material Definitive Agreement.**

On August 2, 2024, Subrogation Holdings, LLC, a wholly owned subsidiary of MSP Recovery, Inc. d/b/a LifeWallet (the “Company”) entered into a letter agreement (the “HPH Letter Agreement”) whereby the parties have set out the terms to amend the Second Amended and Restated Credit Agreement with Hazel Partners Holdings LLC (the “Credit Agreement”), to: (i) extend the period for the Company to draw up to \$14 million for working capital, accessible in eight tranches of \$1.75 million, that can be drawn at least one month apart, until September 2025; and (ii) provide for a \$2.0 million loan to be funded by August 31, 2024 for the purpose of acquiring additional Claims (the “New Claims”) that will further collateralize the Working Capital Credit Facility (collectively, (i) and (ii) the “Operational Collection Floor”). The parties have agreed that such amendment to the Credit Agreement shall be agreed and entered into at a later date.

In addition, the Company will retain the right to monetize the New Claims with a third party sale only if the aggregate consideration is greater than an amount agreed to by Hazel (the “Hazel Floor Price”), and such proceeds to be used to: (1) pay down the Operational Collection Floor, (2) to the extent proceeds are in excess of Hazel Floor Price, 50% to the Company for operational expenses and 50% to pay down Term Loan A and Term Loan B of the Working Capital Credit Facility, and (3) in the event only 50% of New Claims are monetized, then such proceeds to be used to pay down the Operational Collection Floor and to the extent any proceeds in excess of 50% of the Hazel Floor Price are available, 50% of such excess shall be made available to the Company for operational expenses and 50% of such excess shall be used to further pay down the Operational Collection Floor, and then to pay down Term Loan A and Term Loan B of the Working Capital Credit Facility.

Pursuant to the HPH Letter Agreement, Term Loan A and Term Loan B of the Working Capital Credit Facility are subordinated to the Operational Collection Floor and collateralized by the New Claims. HPH has agreed to release: (i) a mortgage on real property owned by an Affiliate of Messrs. John H. Ruiz and Frank C. Quesada; and (ii) the personal guaranty by Messrs. John H. Ruiz and Frank C. Quesada, as primary obligors, guaranteeing those additional advances of Term Loan B beginning in January 2024, as set forth in the Second Amended and Restated Credit Agreement once (x) the principal amount of Operational Collection Floor has been repaid in full (including any original issue discount) or (y) the drawn amounts under the Operation Collection Floor as of December 31, 2024 are repaid in full (on a drawn and funded basis) on a dollar per dollar basis by such date.

The Operational Collection Floor is the Company’s primary source of working capital. On August 2, 2024, the Company received funding of \$3.5 million under the Operational Collection Floor for July and August 2024. The Company may draw an additional \$10.5 million for working capital, pursuant to the terms of the HPH Letter Agreement, until September 2025.

The Company has concluded that, despite the aforementioned financing arrangements, there is substantial doubt about its ability to continue as a going concern. Unless we are successful in raising additional funds through the offering of debt or equity securities, we may not be able to continue to operate as a going concern beyond the next twelve months.
